"I love New Mercer Commons! I feel that my dad is well taken care of in a clean, friendly, and secure facility. He likes the food, people, and activities. I'm especially impressed with the home-like atmosphere. And he loves the outings to various events and the joy rides around town and to the mountains. Thanks to everyone for all you do for him and me."

Daughter

"I have never met a friendlier bunch. Everyone speaks to me by name and are always checking to see what they can do for me. They have made me feel very welcome, and the whole atmosphere is great!"
