Why this program will benefit you:

- You did not qualify for Medicare A benefits because you were not an inpatient in a hospital for 3 days but you really need rehabilitation to get better.
- You need to regain your strength and stamina after a short-term hospitalization, a decline in your health status, or an exacerbation of an ongoing health issue.
- Giving the best chance to **successfully return** to where you were living before you went to the hospital because of the care and support of nurses and therapists.
- We want to help give you the best **chance to remain** in your current living environment for as long as possible.
- While you are with us, our discharge planning and case management team will assess your needs and educate you about available resources in the community. All with your success in mind!
- We will work with you and your family to develop a plan of care for your return to home. We'll make the referral to a community resource for you.
- Let our staff who work with Medicare, Medicare Replacement plans, Medi-Gap and other insurances, including Long Term Care Insurance provide you with a financial review of your insurance situation.
- We will complete a checklist of your readiness for Medicaid.
- Our therapy staff of Physical, Occupational, Speech Language, and Respiratory Therapists are at the ready to work with you to help you to be the best that you can be.
- We will coordinate services to ensure your success and recovery.

What services you will receive:

- We have bundled your room and care charge for 10 days. A 30-day deposit is not required!
- Our Therapy staff will provide you with a screening and then the development of a therapy plan of care through your Medicare Part B.
- Your medications are provided to you by our Centre Pharmacy and will be paid for by your Medicare D plan.
- We have agreements to provide Lab and Xrays to you while you are in our facility. Your Medicare Part B will pick up the tab.
- Our medical equipment company makes outfitting you with a wheelchair, walker, hospital bed, adaptive equipment, or a speciality mattress a cinch!
- Pay only the days that you stay.
- Our facilities are “move-in” ready with Cable TV, Wi-Fi Internet, and a phone for local and long distance calls.
- Our registered dietician designs custom diets and meals with diverse food choices.
- Our fleet of 14 vans is available to take you to your medical appointments from 7 a.m. to 5 p.m.
- Once you have stayed with us, even for 10 days, you will have priority within Columbine Health Systems.
- Housekeeping and laundry services.
- Electric beds and mechanical lifts.
- Our Physical Therapy Program is directed by licensed physical therapists and may include gait, transfer and balance training, wheelchair positioning and mobility, therapeutic exercise, prosthetic and orthotic training, manual and soft tissue mobilization, modalities for pain control, patient and family education, and home assessments.

Our complete health care campus is available to you for direct referral to:

- Columbine Poudre Home Care for continued therapy, nursing, or social work services upon discharge to home.
- Outpatient therapy at Front Range Therapy for PT, OT, or ST.
- Priority at our Lifestyle Centre health club.

What will you pay:

- We believe that in 10-days you will feel so much better you can return to where you were living before your health change.
- We make paying a breeze. For this program you can pay with Cash, or Check. Visa, MasterCard, Discover, and American Express are also accepted.
- 10-Day Stay Charge is available at the following facilities:
 - Centre Avenue Health & Rehab Facility
 - Columbine Commons Health & Rehab Facility
 - Columbine West Health & Rehab Facility
 - Lemay Avenue Health & Rehab Facility
 - North Shore Health & Rehab Facility
- Refunds will be provided if it turns out that you will feel well enough to return home before the full 10 days.
- We will charge you our regular private or semi-private room rate - no extra room and board charges for this fantastic program.
- If you currently live with us in one of our independent living facilities (The Wexford, The Winslow, or The Worthington) or one of our assisted living facilities (Columbine Commons, Lakeview Commons, or New Mercer Commons) and you are holding your apartment you will receive a \$250 discount off of the total charge for your 10-day stay.
- As always, your co-pays for Medicare Part B and Medicare D will still apply.
- You will be charged for Oxygen - sorry, a Medicare rule.
