WHO IS COLUMBINE POUDBRE HOME CARE?

Columbine Poudre Home Care is a certified Medicare/Medicaid agency that is locally owned and operated in Northern Colorado. Columbine Poudre Home Care is a division of the Columbine Health Systems which has been serving the Northern Colorado Community for over 40 years.

In 1983, Columbine Health Systems recognized that recently discharged patients were in need of medical home care assistance and launched the one of the first medical home care agencies in Larimer County - Columbine Home Care. In January, 2000, Poudre Care Connections, the home care agency operated by Poudre Valley Hospital, and Columbine Health Systems combined their resources to form one agency, Columbine Poudre Home Care.

COLUMBINE'S COMMITMENT TO YOU

Columbine Poudre Home Care is committed to providing the highest standard of medical care to you in the comfort and familiar surroundings of your home. An assessment is conducted by our clinical staff and, in collaboration with your physician, creates an individualized care plan, designed to your specific needs and wishes.
