APPROPRIATE BEHAVIOR IN THE WORKPLACE POLICY

Unlawful Discrimination And Harassment

Columbine Health Systems is committed to providing a work environment that is free of unlawful discrimination and unlawful harassment. Unwelcome actions, words, jokes, or comments based on individuals' sex, race, color, national origin, age, disability, religion, veteran's status, or any other legally protected characteristic will not be tolerated. Individuals who experience or observe unlawful harassment or discrimination are encouraged to report their concerns without fear of reprisal. Every effort will be made to ensure that complaints of harassment or discrimination are resolved promptly, confidentially and effectively. The failure to report suspected discrimination or unlawful harassment significantly hampers Columbine Health Systems' ability to take corrective action.

Sexual harassment is a form of sex discrimination that violates, Title VII of the Civil Rights Act of 1964.

Unwelcome sexual advances, for sexual favors, and other verbal or physical conduct of a sexual nature constitutes sexual harassment when submission to or rejection of this conduct explicitly or implicitly affects an individual's work or creates an intimidating, hostile or offensive work environment.

All volunteers, interns and shadows should report harassment to their contact person. Columbine Health Systems will investigate the complaint, make a determination of its conclusion and when appropriate, prepare a plan of action to correct the problem and prevent reoccurrence.
