## Snow Removal Reminder

See the Handbook for details.

## Plumbing

As outlined in the Handbook, the toilets installed are WaterSense and have low flow/high frequency in compliance with 2016 Colorado legislation requirements. These toilets use less water than a full-flush toilet. **It is recommended to hold down the handle for 3-5 seconds for each flush.** They are NOT designed to handle extra soft toilet paper or disposable wipes. **In addition, the toilets are sensitive to too much toilet paper.** When there is a clog, it requires a plumber to come out which is costly. **If there are multiple plumber calls, tenants may be charged.**

**Please DO NOT use extra soft toilet paper or disposable wipes in the toilets.**

## Maintenance

(970) 460-5005

**\*\* Please contact the front desk  
NOT Anna\*\***

Regular business hours are Monday – Friday 7:00am-3:30pm. Maintenance is available on-call for **emergent needs** on weekends and after hours. Some examples of a maintenance emergency include: air conditioning or heat not working, no hot water, water leaks or flooding, and egress related issues. **Note:** If your smoke detector is alarming and saying “fire” or “carbon monoxide”, please contact 911, then contact the front desk.

Maintenance can assist with hanging personal items as time allows and will provide basic hardware. Any hardware beyond what we consider basic (shelves, nuts, bolts, hangers, TV mount, etc.) for personal use should be supplied by the tenant. Grab bars are supplied and installed free of charge.

Please do not put nails in any of the doors, woodwork, or cupboards. You may find which hooks are acceptable by checking with maintenance first.

Maintenance is not allowed to work on personal items (e.g. appliances, recliners), move furniture, flip mattresses, or work on automobiles or electric scooters.

For a maintenance request, call The Windsor front desk at (970) 460-5005.

## Mowing Reminders:

Please note that mowing and trimming will not take place in your fenced back patio area if pet waste is not picked up at the time of mowing. Thank you for your cooperation.
