AUGUST FUN FACTS

August was named after the Roman Emperor Augustus Caesar. August is associated with the harvest season & has two birth flowers (gladiolus and poppy). The gladiolus is a vibrant and multi-colored flower that represents generosity,

the strength of character, and deep sincerity. In contrast, the poppy symbolizes imagination, eternal sleep, and oblivion. August also has two zodiac signs (Leo and Virgo). The astrological sign of Leo is in effect from July 23 through August 22, while Virgo is in effect from August 23 to September 22.
